

# Acknowledgements

***HEART UK wishes to thank the following people for their contributions to this toolkit:***

Dr Dev Datta, Consultant in Medical Biochemistry and Metabolic Medicine, University Hospital Llandough, Cardiff.

Alison Pottle, Cardiology Nurse Consultant, Royal Brompton and Harefield NHS Foundation Trust.

Professor Gilbert Thompson, Emeritus Professor in Clinical Lipidology, Imperial College London.

HEART UK is grateful to Dr Datta and Prof Thompson for permission to use material from their earlier HEART UK paper, 'Lipoprotein apheresis for refractory hyperlipidaemia: clinical indications and service requirements.'

The development of this toolkit has been supported by a grant from Fresenius Medical Care (UK) Limited. Fresenius Medical Care has not had editorial input or control over the contents of the toolkit. Data verification and final editorial control rests with HEART UK.
